Testimonials:

Missions Fest is a great window on the world for all of us, and an exciting ministry to discover new ways to touch people's lives for Christ.

Dr. Garth Hunt, Founder of *WorldServe Ministries* and veteran missionary

As a leader to the young generation I have seen firsthand how Missions Fest ignites and inspires young people to think beyond themselves and activate their faith in a way that makes a difference their lives. Missions Fest brings the church generationally together to go beyond what we are doing now!

Mika Kostamo, Pastor, *Cedar Grove Church*, Surrey, BC

Missions Fest Vancouver has become a model conference for similar events across Canada and other parts of the world. Missions Fest honors and glorifies God when churches and individuals work together. Only eternity will tell the story of the huge impact of this event.

George Verwer, Founder of *Operation Mobilization*
