Children's Program

Our Program

This program will take children around the world from Indonesia to Zambia. We believe that this learning will lead to greater understanding of neighbours and classmates, and increase the possibilities of reaching out to them. We also believe that God is planting seeds for future mission adventures in the hearts of the children who attend. Generally we invite ethnic churches to lead these workshops.

SPECIAL NOTE: Please be considerate of the presenters and other children by not interrupting a session to take your children out before the session ends. If you are more than 15 minutes late you may be asked to pay \$5.00 for every 15 minutes per child.
