

## **General Invitation to Missions Fest**

[Play promo video if possible]

Missions Fest Vancouver is coming up soon on January 18-20. Missions Fest is for everyone.

How many of you have attended Missions Fest before?

I'd like to invite you to consider going this year. A lot has changed for those of you who haven't been in a while.

Missions Fest believes that every follower of Jesus has a part to play in His mission and they'd like to help you discover your calling. You can take part in the General Sessions with amazing speakers, visit with over 250 parachurch agencies, participate in seminars, the Film Festival, and the Arts Café.

This year there is a Junior Youth Rally Friday night and the Senior Youth Rally on Saturday.

Everyone is welcome.

Registration is needed this year for everyone 18 and older. You can register on the Missions Fest website, which will save you time at the door.

Thank you!
