

Invitation to Volunteer at Missions Fest

[Play promo video if possible]

Missions Fest Vancouver is coming up soon on January 18-20.

Every year over 500 volunteers make Missions Fest possible.

I'd like to invite you to consider volunteering for a few hours this year. There is a whole range of jobs that Missions Fest needs help with.

Some of the areas that have been understaffed in the past are:

- Move-in/Move-out team – this team helps move the office from their home in Burnaby to the Vancouver Convention Centre and back again.
- Operations Team – this team is responsible for the safety and security of attendees over the weekend.
- Info Team – this team helps greet attendees and provide information about where activities are happening over the weekend.
- Usher Team – this team serve as ushers in the General Sessions. We prefer that churches adopt the General Session and provide a team of between 15 and 20 volunteers.

You can volunteer individually or as a group.

High School students can volunteer with parental approval and can use the hours towards their schools volunteer requirements.

Visit the Missions Fest website for more information. Or, if you want to volunteer as a group please call the office at 604-524-9944

Thank you!
