Your church can help make a difference in the global missional landscape by becoming a partner or supporting church. Who knows, we may influence a world changer through our partnership!

At Missions Fest Vancouver and Mission Central, we're focused on bringing missional experts and resources together to support churches in their call to fulfill the great commission. Year round, **Mission Central offers resources to help church leaders in their work of mobilizing missional disciples.**

Missions Fest Vancouver is the ideal place to connect with missional experts and see the diversity of Christ's mission in the world.

Churches engage Missions Fest corporately in 2 ways: as a **Partner Church** or as a **Supporting Church**. You can read more information about engaging with us on our website (missionsfestvancouver.ca/get-involved).

- 3. Celebrate** what God is doing through His people around the world.
- 4. Challenge** people of all ages to get involved in God's mission by going, sending, praying, and giving.

Mission Central

Mission Central is designed to serve the church with missional resources all year. We help people gain access to stories, educational resources, and opportunities to serve according to their calling.

Our passion is to help the church be more missional.

We exist to provide year-round opportunities for missional interactions between expert practitioners, individuals, and resources to follow Jesus

Missions Fest

The first Missions Fest was held in January 1984. Six churches collaborated to plan that first conference and make it a gift to the city. We've been holding a missions conference for Metro Vancouver and the Fraser Valley ever since.

It is the largest annual mission conference in North America.

Today we have over 140 partnering churches that help make this vision a reality. The local church gave Missions Fest their mandate and makes it possible to offer a world-class conference.

Missions Fest Vancouver does business as Mission Central. Missions Fest Vancouver is a registered charity and certified member of the Canadian Council of Christian Charities.

What is Mission?

We define mission as a work of God through Christ. It is a work we are invited into; to redeem and reconcile all creation to God and bring flourishing, fullness and peace to the earth.

Annual Conference

Join in worship with thousands of Christians as we declare that Jesus is Lord.

Connect with top missional experts from around the world.

Be inspired through seminars, films, and worship.

Purpose

Our mission is to serve the church by acting as a catalyst; helping the people of God realize how their unique skills, gifts, knowledge, and physical bodies can be used to bring flourishing, fullness, and peace to creation in Christ's power.

Vision

We envision a vibrant, transformative Church where all Christians take their place in the body of Christ and contribute to mission, according to their calling, skills, and gifts.

Celebrating the impact of God's love, while naming the challenges we all still face.
